

LIST OF OVERUSED FILMS OR FILMS ON THE WEBSITE

These films have either been overdone as essay topics and have been circulating among UIC and Writing students or I have used examples of essays on these films in order to provide samples on the website. These films are, therefore, off-limits as essay topics. Please consult with me if you wish to choose a film to analyze that was not released over the past three years.

1. *About Time* (2013)
2. *American Beauty* (1999)
